[your organizations emotional appeal]. We need your help!

The officers and directors of [your nonprofit name] are introducing a new way for you to donate to help us achieve our mission of [add mission here].

[your nonprofit name] is partnering with Webster Interiors, a local home furnishings and décor store, to offer a new program that will benefit our organization and our donors. It's simple. You shop at Webster Interiors, and they'll give a portion of your purchase to our organization. Just mention our organization (which is registered with Webster Interiors) when you make a purchase, they will ensure we receive a portion of the transaction at no extra cost to you.

Webster Interiors offers a variety of home furnishings and décor including Hunter Douglas window treatments at very competitive pricing. If you, a family member or a friend need new furniture, décor or window treatments, please, consider helping us achieve our mission and [solve the problem] and tell them about our new program. If you wish to see additional details about this program, visit the Webster Interiors website at websterinteriors.com.

Make your next home furnishings purchase from a local business who will give a portion of your purchase back to our organization.

It's a great way to combine the good feeling of donating while purchasing new furniture for your home.

Thank you for considering our new fundraising program.

Gratefully,
